## SHOWINGS OF CITY STORES

One of the main street shops is  
filled with all the many novelties in  
Fall and Winter gowns, net waists  
trimmed in lace insertion and bands  
of light and blue ribbon. Quite a  
full display of furs in sable, Siberian  
squirrel and ermine are enticingly ar-  
ranged on racks. The new designs in  
silk and gold, Persian and leather  
belts are most effective and well  
adapted to the brilliant and bright  
colored cloths of the winter season.  
The eastern window has a fine show-  
ing of silkline comforts in all the  
light shades and with elaborate floral  
decorations.

A large and popular department  
store has its western window elabo-  
rately decorated with autumn leaves  
and with decorations of the covers of  
the New Idea Magazine most deftly  
and cleverly arranged. The models  
in princess and directoire gowns are  
fashioned in light colored papers and  
calicos giving an exact representation  
of these very popular patterns which  
are making such a hit this season  
with dressmakers and followers of  
Dame Fashion. The counters are filled  
with attractive pieces of all wool  
suitings and with applique bands in  
Persian designs to match, making a  
very chic winter costume. A very  
successful hit of the season has been  
the large silk sale ranging in price

from 29 cents to \$1.39, closing this  
season's collection of striped and plain  
taffetas, foulards and messalins with  
satin effects. A very rare exhibit in  
the eastern window is a large and ef-  
fective slumber robe composed of  
skunk skins in black and white and  
lined with felt, also a grouping of  
beaver skins to be made up in buns  
for hats and tailor gowns and also  
muffs and neck pieces. Special at-  
tention is directed to the knit under-  
wear and hosiery of the Forest Mills  
and also a full display of the Gordon  
dye house shown in all the light and  
dark shades.

Another department store is offer-  
ing special values in new, fancy and  
colored taffetas, outing cloths, light  
and dark styles, in neat patterns in  
checks, plaids, stripes, all reduced  
from 10c to 7 3/4c per yard. Also a  
new shipment of velvet carpets in  
hall and stair design for any room,  
laid and lined for 85c a yard. The  
"Royale" kid glove, known as the  
best kid glove on the market, is much  
in favor, as every pair is guaranteed.  
Another showing of Queen Quality art  
footwear for women and girls is  
gracefully grouped in the large glass  
cases in the shoe department of this  
beautiful store, which has a large  
collection of gun metal designs, calf  
skin and patent stock.

#### WHEN WINTER COMES

'Tis well to get things ready  
for winter is at hand, and snow  
and frost will shortly lay their  
grip on all the land. You'll  
stuff up all the windows and  
the cracks beneath the doors;  
you'll tack a tin and cover all  
the knot holes in the floor;  
then you'll resurrect that old  
arm chair you put away last  
spring, (thinking that a new  
one would replace the dear old  
thing) but now some Spartan  
Stain you buy—you know just  
what to do, and when you're  
through that old arm chair  
will look once more like new.  
Spartan Stain is the greatest  
Varnish Stain on earth.

The readers of this paper will be  
pleased to learn that there is at least  
one dreaded disease that science has  
been able to cure in all its stages, and  
that is Catarrh. Hall's Catarrh Cure is  
the only positive cure now known to the  
medical fraternity. Catarrh being a  
constitutional disease, requires a consti-  
tutional treatment. Hall's Catarrh Cure  
is taken internally, acting directly upon  
the blood and mucous surfaces of the  
system, thereby destroying the founda-  
tion of the disease, and giving the pa-  
tient strength by building up the con-  
stitution and assisting nature in doing its  
work. The proprietors have so much  
faith in its curative powers that they  
offer One Hundred Dollars for any case  
of Catarrh. Address:

BEDFORD, N. J., Oct. 9.—The  
body of a seven-year-old boy which  
was washed ashore here last Tuesday  
was identified today as Harold Mc-  
Cloud, who disappeared mysteriously  
from his home in Brooklyn ten days  
ago. Mrs. McCloud told the coroner  
she was certain the child was carried  
away by his father, who, she said, is  
not her husband, Alexander McCloud,  
but a well known lawyer who was  
about to be married to a wealthy wo-  
man in New York. She said she met  
this man before she met McCloud,  
and that the latter deserted her after  
their marriage, when he discovered  
the child was not his own.

Jasper N. Wilkinson was here Fri-  
day from Bridgeport on business for  
the South Penn Oil Company.  
Attorney B. M. Ambler is here
